

CAREER OBJECTIVE

A motivated and curious individual looking to gain practical experience in a dynamic and growth-oriented environment. I aim to apply my skills, learn continuously, and contribute meaningfully to the team and the work I'm part of.

EDUCATION

Degree/Certificate	Institute/Board	CGPA / Percentage	Year
B.Tech (Computer Science and Engineering)	IIT, Palakkad	8.31 (Current)	2023-Present
Class XII	Govt Mahatma Gandhi SR SEC School	84%	2022
Class X	Brahampuri Adarsh Vidhya Mandir SS, Chandpole Chouka, Jodhpur	88%	2020

TECHNICAL SKILLS

- **Programming Languages**
C, Python
- **Web Development**
HTML, CSS, JavaScript

PROJECTS

- **Netflix Clone (In Progress)** Jun 2025 to Jul 2025
Some other major project
This Netflix clone is a responsive front-end replica of the official Netflix India homepage, built using HTML and CSS. Styled to closely match the original, it is deployed and publicly accessible through Vercel for seamless viewing and sharing [Link](#)
- **Zombie Shooter Game** Apr 2024 to Apr 2024
Dr. Anish Hirwe
Course project
Developed a 2D zombie survival shooter game using Python and Pygame featuring multiple levels, player movement, shooting mechanics, scoring, and health tracking. Integrated custom graphics, collision detection, and level progression with increasing difficulty. Designed intuitive controls and game logic to enhance gameplay experience as part of an introductory programming project. [Link](#)
- **Sudoku Solver** May 2025 to May 2025
Dr. Narayanan (CK) C Krishnan
Course project
This project solves Sudoku puzzles by encoding them as Boolean SAT problems. It translates Sudoku rules into CNF clauses and uses the pycosat solver to find valid solutions. The method ensures all constraints row, column, block, and initial values are satisfied, demonstrating an AI-based logical reasoning approach. [Link](#)

ELECTIVE COURSES

- Introduction to Optimization

- Differential Equations
- Probability and Statistics

ACHIEVEMENTS

- **Inter IIT Cultural Meet 7.0**

Secure the 5th position under the category of Street Photography in the Inter IIT Cultural Meet 7.0, hosted by IIT-PATNA [Link](#)
